

##CRISCa- Governance and Risk Management Concepts

###Objectives:

At the end of this episode, I will be able to understand:

1. Communication is key to successful Risk Management
2. Not all incidents need to be reported. However, lack of communication leads to unhealthy organizations
3. Benefits of good communication include:
 - *More informed risk decisions
 - *Greater awareness within the organization of risk
 - *Transparency to customers and vendors
- Consequences of poor risk communication:
 - *Overconfidence in organizations abilities to manage risk
 - *False sense of security
 - *Decrease in value to stakeholders
 - *Incorrect categorization of risk
4. What should be communicated in regards to risk
 - *Expectations from senior management
 - *Current risk management capability
 - *Status of all departments
